Waiting

Wait, for now. Sit just be
wait as the days go by
you don't see it but your
name creeps up the waiting list
as others come and go
you don't feel time passing
but it edges closer
that imagined future
you have been waiting for
keep going keep going
keep making appointments
seeking referrals
keep waiting keep waiting
it can't be much longer
sitting in slow release
knowing one day all this
will change, will go, will cease
